

EIFFEL SCHOLARSHIP 2024/2025

CASE OF INEGIBILITY

- Applicants over 25 years old at the date of the selection committee (born before 03/1998);
- Bi-national applicants having the French nationality;
- Foreign applicants already benefiting from a grant from the French government under another program (even if it is a social insurance scholarship), Erasmus grant or the Agence Universitaire de la Francophonie grant.
- Applicants who did not obtain the Eiffel Master grant during a previous evaluation;
- Only applications submitted by French institutions are admissible;
- Applications from French universities;
- Applicants who have already benefited from a master-level Eiffel Scholarship;
- French master relocated abroad;
- Optional internship or exchange: This is at the initiative of the scholarship student who wishes to enhance his or her course and the scholarship allocation is systematically stopped for the duration of any internship or exchange which is not considered as mandatory by the training model. This leads to the cessation of the scholarship, with a possible postponement of the scholarship;
- Applicants who apply in several French institutions;
- Training as part of an apprenticeship or professionalization contract;
- Incomplete applications files;
- The “cesure” is authorized but results in the cessation of the scholarship, with a possible postponement. The allowances as well as the French Government Scholarship status will be determined during the gap period.
